TOLCO is happy to announce that due to reductions in material and production costs, we are able to reduce our price on several standard pipe support items. An updated price sheet will be available on 6/15/2009 via www.nibco.com.

FG 317A Pipe Saddle and Threaded Adjuster	(20%)
FG 318A Pipe Saddle w/U-Bolt and Threaded Adjuster	(20%)
FG 326 Adjustable Support Roller	(15%)

**Average Price Changes, actual price change will vary by SKU.*

All of these products are now available for shipment from the Corona, Calif., and Atlanta, Ga., distribution centers.

Thank you for your continued support of TOLCO products.

Sincerely,
