November 15, 2010

To Our Valued Customers:

As the cost of raw material continues to increase, Elkhart Products Corporation is announcing a price increase effective Friday, November 26, 2010. Wrot, Cast, Kleenfit and Low Lead fittings will increase by 8% (divide by .92) and Flange fittings will increase by 10% (divide by .90).

The new price sheets, W/C/M-160 and Flange 160 will be available on our web site November 19, 2010 at www.elkhartproducts.com. You will have the option to print a copy of the price sheet in PDF or Excel. Elkhart will only accept orders for normal consumption at this time.

Price Sheet W/C/M-158 expired October 17, 2010
Price Sheet W/C/M-159 became effective October 18, 2010
Price Sheet W/C/M-160 will become effective November 26, 2010

Thank you for your continued support.
