Re: Metal Valve Price Increase

Due to the continued increase in raw material prices, NIBCO is announcing a list price increase on its metal valves and actuation effective Monday, November 29, 2010.

Brass and bronze products will increase 7% (divide current list by .93); iron and steel will increase 5% (divide current list by .95); and actuators and accessories will increase 7% (divide current list by .93). Some select items will be adjusted to reflect various higher or lower increases.

The following list price sheets will be affected:

- Pressure Rated Bronze, Iron and Ductile Iron
- Commercial Ball Valves
- High Performance Butterfly Valves
- Fire Protection Valves
- Circuit Balancing Valves
- Plumbing Specialty Products
- Actuation and Controls
- Irrigation Valves
- Industrial Ball Valves

The new list price sheets will be available the week of November 15, 2010 via NIBCO's websites at [www.nibco.com](http://www.nibco.com) and [www.nibcopartner.com](http://www.nibcopartner.com). You will have the option of printing a copy of the price sheet in PDF format or downloading list prices in MS Excel format.

If you have questions, please contact your NIBCO sales or customer service representative. Thank you for your continued support of NIBCO products.
